Professional Summary

Knowledgeable in UI design and front-end development using Figma, HTML, and CSS, with a passion for creating simple and user-friendly designs. Gained practical customer interaction experience through helping in a family business, developing communication, patience, and problem-solving skills. Able to stay calm and approachable in different situations and eager to explore new opportunities that allow growth, learning, and meaningful contribution.

Work Experience

Work Immersion – Butterfly Sanctuary *2023-01-01 – 2023-05-01 | Julian Jumalon St. Cebu City*

- Maintained cleanliness by regularly cleaning the garden and art gallery room to ensure a pleasant environment.
- Assisted customers by guiding and educating them about the butterfly sanctuary and art gallery.
- Managed reservation handling, contributing to smooth visitor experiences.

Service Asistant – Family Owned Restuarant *2020-06-01 – 2023-10-31 | Cebu City Talobong Rd SRP*

- Managed high-pressure customer interactions by calmly taking and preparing meal orders in a fast-paced environment without a formal queue system.
- Developed strong memory skills by accurately handling payments after meals, ensuring correct billing and minimizing errors.
- Enhanced communication by acknowledging orders, guiding customers to wait, upselling drinks, and clearly explaining payment calculations.
- Resolved order mistakes positively and humbly by confirming details with customers, maintaining good relationships and customer satisfaction.
- Built rapport with regular customers, improving communication skills and customer loyalty, applying these lessons in daily interactions.
